Dear Sir.

This is to confirm your letter of Dec. 7th. Very glad to hear that our station is operating so well. Have checked our log as to date and time of your reception and find they are correct.

Our station operates on a power of 50 Watts. That is the extent of my Radio knowledge. Our Radio mam could tell you much more.

Thanking you for your letter,

Very truly yours,
Thomas H. Welch Chief of Police.

THW/cwg.
